You have received a very hot gift: SaunaGus

This gift card invites you to a revitalising SaunaGus experience. A Gusmaster will guide you through aromatic rounds using essential oils on a blazing hot stove, building waves of scent, rhythm, and deep, penetrating heat. Between rounds, you can cool off with dips in the sea and enjoy refreshing snacks.

Use your gift card to book a SaunaGus session in our stationary sauna in Copenhagen, or join one of our mobile SaunaTruck pop-up events.

Redeem your gift card code when booking your session at Butcherheat.dk or directly in our app.

We look forward to welcoming you to the heat.
